## KCMGCC Chili Cookoff

By Larry Taylor

On Saturday, October 28<sup>th</sup>, 30 members and guests gathered at the home of Larry Taylor for the annual chili cook-off. Halloween was in the air and members experienced the many spooky Halloween props in the home and donned lighted Halloween glasses. Several members were in costume and Diane Cotton, as the Wicked Witch of the North, clearly had the best costume.

This year, there were five chili entries and a number of scrumptious desserts and great appetizers, including Geoff Rollert's jalapeño poppers! Bob and Marsha Patzwald won the participants choice voting for the best chili and received the award and bragging rights. Martha Nicholson and Grayson Hendrick were runners up.

## ABOUT THE MG POST

The Kansas City MG Post is published monthly by the Kansas City MG Car Club. The KCMGCC is a member of the North American MGB Register and the American MGB Association, and is affiliated with the MG Owners Club, Cambridge, England. The MG Post is provided free to members. Opinions expressed herein are not necessarily those of the Club, the Club Officers, or the staff of the newsletter. Technical information is believed to be accurate; however, any repairs on mechanical advice is attempted at the reader's risk. The Club, Officers, or newsletter staff will not be responsible for any misinterpreted or incorrect technical information. If in doubt, consult a certified technician.

## NAMGAR

The Kansas City MG Car Club is a chapter of the North American MGA Register (NAMGAR). The Register was established in 1975, with the sole objective of promoting the restoration, preservation, and enjoyment of the MGA, Magnette, and their Variants. While NAMGAR started as a register of MGA's in North America, it soon became an organization to join, as evidenced from a membership roster of folks from all over the world! It immediately became the catalyst for very special social gatherings. NAMGAR is managed by unpaid volunteer Board and Staff members. They give their expertise and time freely in an effort to make NAMGAR the best MG club in the world.: Cost of membership in the NAMGAR is \$37.50 North America/\$52.50 International per year and unique dash plaque indicating your car's Register number, NAMGAR's award winning magazine, *MGA!*, six times a year and other benefits.

## NAMGBR

The Kansas City MG Car Club is a chapter of the North American MGB Register. The North American MGB Register was formed in 1990 to serve the needs of MG owners throughout the world. The Register's executive committee is elected by the Affiliated Chapters. Officers can only serve two consecutive terms which ensures that new people and fresh ideas are always available. Finances are open to inspection at any time and the Treasurer provides financial statements that show how the membership's money is spent. Officers and Registrars receive no financial remuneration for their duties, but volunteer out of the spirit of the marque.

The award-winning magazine *MG Driver* is published six times a year.

Cost of membership in the NAMGBR is \$30.00 per year and includes a dash plaque with your membership number, the *MG Driver* magazine, and other benefits. (see [namgbr.org](http://namgbr.org))

## PLEASE HOST A MEMBER GARAGE TOUR (MGT)

Anyone in the club can host an MGT. If you would like to show your garage or a car(s); need advice for a project or restoration; have a technical issue you would like to discuss; an improvement you would like to share; provide a forum for group discussion or just want to socialize, please sign up to host a MGT. All a host has to do is furnish the garage space and perhaps some coffee and doughnuts. MGT's generally are on a Saturday about 10:00 AM and may be followed by an optional lunch at a nearby restaurant afterward.

Please contact Larry Taylor at [larry@taylorgroupcpa.com](mailto:larry@taylorgroupcpa.com) to sign up.

## St. Louis All British Car Show

September 30<sup>th</sup> brought a late month car show for St. Louis due to last-minute rescheduling of the show. The weather was great and 127+ cars and motorcycles were on the Creve Coeur Park grounds. As always, the Friday night hospitality BBQ by their club was very good – great food and great members.

We had our KCMGCC club members win awards:

Steve Olson, 1<sup>st</sup> Place with his '76 MG Midget  
Dave Dobbins, 3<sup>rd</sup> Place with his '69 MGB  
Rick & Monica Mills, 2<sup>nd</sup> Place with their '73 MGB/GT  
Larry Taylor, 3<sup>rd</sup> Place with his '60 Triumph TR3  
Simon Dix, 2<sup>nd</sup> Place with his '97 MGF

There was a great showing of MG Midgets and MGAs this year, and MGBs as always.

## Brits In The Ozarks Fayetteville Show

The following weekend, October 7<sup>th</sup>, after the St. Louis Car Show on September 30<sup>th</sup>, was the Brits in the Ozarks annual show. This show is always one you shouldn't miss. The entire cost for the show and all donations go to ALS. This year, they were able to give their local ALS \$45,752.04. The venue is great in the University of Arkansas AgriPark. The Friday night hospitality BBQ is always a winner. This year, the weather was very chilly, as was the show on Saturday. The sunny day Saturday was welcome for keeping warm. 147 cars attended this year.

The guest speaker this year at the Saturday evening banquet was none other than our own member, Kent Prather, who did an awesome job.

We had our club members get awards:

Kent and Kathy Prather, 2<sup>nd</sup> Place, for his '71 Triumph Stag

Simon Dix, 2<sup>nd</sup> Place, for his '97 MGF

Tom Berry, 1<sup>st</sup> Place, for his '60 MGA

Chris Armacost, '61 MGA, and Dean Wheeler, '59 MGA, tied for 2<sup>nd</sup> Place

Tim Karman's wife, Torianna, got the Blind Eye Award for her continued support of Tim with their '77 MGB

## Member Garage Tour at Diane Cotton's

By Larry Taylor

On Saturday, October 21<sup>st</sup>, approximately 20-25 members attended the Member Garage Tour (MGT) and Regalia Sale hosted by Diane Cotton at her home in Kearney, MO. Diane had a large collection of numerous regalia items for sale including shirts, flags, posters, patches, and more. Also included were some MG parts and accessories. Coffee, donuts and snacks were provided as well as a few mimosas and screwdrivers.

Diane said she was sorry that a number of people had conflicts and could not make it to the sale, but was happy to get rid of a lot of stuff, including some leftover restoration parts, but still has a lot of regalia left. Perhaps there will be another sale next year.

Around 12:30pm, Bob Aguilar with his friend Renee Diaz, Diane Cotton, Fred and Sharrie Grant, Geoff Rollert, David Sedwick, and Larry Taylor headed for lunch at Conrad's in Kearney. En route, Bob

Aguilar's TR6 decided that it did not want to make the trip. Despite it cranking over, and determining that it was getting spark and gas, it refused to start even after other coaxing, tinkering, and assistance from Bob, Geoff, Larry, and David. So the group continued on to the restaurant, minus the TR6, and had a great lunch. After lunch, the TR6 still refused to start even with starting fluid and ended up being towed back to Bob's house. All will be interested to hear the diagnosis, once Bob has had a chance to dig into it further.

All members are invited to host a garage tour. You do not need a collection of cars or a fancy garage; you can simply invite members to view your garage and socialize and we will go to lunch afterwards. Or perhaps you are having an issue with your car and would like some assistance or advice; hosting an MGT might be the answer. If you are interested, please contact me and I will make it easy for you.

## Crumb Tuesday Breakfast

By Larry Taylor

On October 17<sup>th</sup>, 22 Triumph and MG club members met for the October CRUMB (Club Retired and Unemployed Member Breakfast) meeting at the Old 56 Family Restaurant in Olathe. This was the first CRUMB at this location in our search for a regular location in south Johnson County. There were a few hiccups – they were not ready for us when we first arrived, the seating was cramped, and ordering was slow. However, the servers were pleasant, the food was good, and as was the members' comradery and fellowship.

For the next CRUMB meeting, we will be returning to Caleb's Breakfast & Lunch, 515 E Red Bridge Rd, Kansas City, MO 64131, <https://www.calebskc.com/> at 9:00 AM on Tuesday, November 21<sup>st</sup>. **The December CRUMB will be December 19<sup>th</sup> at Rae's Café in Independence.**

As a reminder, all club members are invited to the CRUMB meetings. You do not need to be retired or unemployed to attend. Please RSVP early with an accurate number attending so we can advise the restaurant how many to expect. **If your plans change, please update your RSVP or call or text me no later than 7:30AM the day of the breakfast.**

## Midget Mumblings

By Steve Olson

My 1976 Midget is just barely an MG at all. It may share tail lights and some other small components with the MGB, but that is about all. Back in the middle 1950s, Donald Healey noticed that the common Brit didn't have an affordable sports car available. He set out to fill that need.

He knew the dimensions of that average seated Brit, so he penciled those in to start the design. He also knew the size of available tiny 4 cylinder engines, transmissions, wheels, and such. Leaving no extra space, he added those to his drawings. Then he drew a simple body to surround those components. He was a designer, not a car builder. He had no factory and to keep cost to a bare minimum, he planned on using off-the-shelf components for almost everything. He shopped around to find the most available and affordable. Once his design was completed, he went looking for a factory to build it for him. The result was the Austin Healey Frogeye Sprite. Those eyes were designed as flip-up headlights, but that cost too much. That cost savings made the car look even cuter.

Pressed Steel took on the job of building the bodies. MG had capacity to do the assembly. The market welcomed a car that filled an empty gap. As cute as the Frogeye was, it wasn't perfect. So the Box Sprite was designed to improve on the few weaknesses. And while they were thinking about the minor face lift, why not badge engineer an MG version? The bare bones little car was selling well in America and MG had a larger dealership network. And quickly the MG version outsold the almost identical Sprite.

And the final blow to make the MG Midget even less of an MG came with the 1975 models. Tightening emission rules meant a larger displacement engine was needed. The 1275 had been stretched about as far as possible. A fresh engine design would be expensive. And now MG and Triumph were both part of one big unhappy family. Triumph had an engine the right size in the Spitfire and it was already emission approved. It was a wise business decision to plug that into the Midgets as well. So now the Healey-designed car had a Triumph engine and transmission. It wore an MG badge, was made in Abingdon, and was sold by MG dealers, but was it really an MG?

I don't much care. The car may be a mutt instead of a purebred, but I enjoy owning and driving mine.

## Local Used MGB Parts

Now that Victoria British has left KC, it's less convenient to get MGB parts. I have collected a lot of used parts over the years and am making them available for very reasonable prices. If a used part for your 68-80 MGB will do, give me a call or drop me an email. This is not my profession, just trying to keep them on the road. Maybe you can save on price, shipping, tax and time. I'm a club member and live in KC North.
